Housing Loan Interest & Principal considered for Tax Benefit			
Total Interest	200000.00	Total Principal	10000.00
Benefit U/S 80EE	0.00	Benefit U/S 80EEA	150000.00

Key Points:

- No tax on notional rent of second self-occupied house i.e., up to two self-occupied house properties can be considered for benefit while calculating the income from house property from the FY 2019-20.
- An assessee can claim that he has two self-occupied house properties and hence deduction with respect to interest on borrowed capital for self occupied house property can be claimed with respect to both the houses. However, there is no change in the aggregate limit for the deduction on account of interest which remains the same, i.e., Rs. 2,00,000.
- The Finance (No. 2) Act, 2019 has inserted a new Section 80EEA under the Income Tax Act for those individuals who are not eligible to claim deduction under Section 80EE. An individual can claim deduction up to Rs. 150,000 under section 80EEA subject to following conditions:
 - Loan should be sanctioned by the financial institution during the period beginning on 01-04-2019 and ending on the 31-03-2022;
 - Value of residential house property should not exceed Rs. 45 lakhs;
 - The assessee should not own any residential house property on the date of sanction of loan; and
 - The assessee should not be eligible to claim deduction under Section 80EE.

You can also update the Housing Loan details for the current FY without selecting the option to carry forward.

HOUSING LOAN TAX DEDUCTION BENEFITS

Key Points related to Housing Loan tax deduction benefits:

- In case of New Tax Regime, no tax benefit will be provided for Principal, Stamp Duty, and Registration Charges under Sec 80C for both Self Occupied and Let Out Properties.
- In case of New Tax Regime, Loss from Self Occupied House Property will not be considered for tax benefit. Even the interest on loan taken for the Self Occupied Property cannot be considered for intra-head sett-off against income from Let Out House property.
- Intra head set-off of loss (in the case of Old Regime) - Intra head adjustment will happen first, then inter head, not the other way around. Hence, loss from self occupied house property shall be set off against income from house property first, then if any loss remains after the set off, it shall be set off against other heads of income. Let's try to understand this with an example:
- 1st case Self Occupied Property having home loan, interest Rs 3,00,000. Let Out Property Income after 24(a) Rs 2,10,000. Salary Income Rs 10,00,000
- Loss on account of Self Occupied Property allowable Rs 2,00,000. Set this off with Income of Rs 2,10,000. The net result of this will be Income from house property Rs 10,000. Which will lead to income addition of Rs 10,000. Hence, the GTI shall be Rs 10,10,000
- 2nd case Self Occupied Property having home loan, interest Rs 3,00,000. Let Out Property Income after 24(a) Rs 84,000 Salary Income Rs 10,00,000
- Loss on account of Self Occupied Property allowable Rs 2,00,000. Set this off with Income of Rs 84,000. The net result of this will be loss from house property Rs 1,16,000. Which will lead to loss adjustment of Rs 1,16,000. Hence, the GTI shall be Rs 8,84,000.
- Carrying forward of house-property losses from a previous year is allowed only under the Old Regime. Any unadjusted loss under the house-property head will lapse in the same year when New Regime is opted..

TDS/TCS DETAILS

Key Points:

- Tax Deducted at Source (TDS)/Tax Collected at Source (TCS) refers to the Income Tax under the Income Tax Act where tax is collected at the point of payment of income or making some other payments.
- In the case of TDS, the payer (eg, Bank, company or any other person) deduct income tax and only the balance is paid. The tax so collected is remitted to the Government on behalf of the payee.
- In the case of TCS, the buyer or the service provider collect tax and remit to the Government while paying/receiving the payment.
- Employers can consider the TDS deducted/TCS collected by any other person other than any other employer while computing and deducting the amount of tax from salary income under Section 192.
- For this purpose, employee should submit the proofs like Form 26AS (Tax Credit Statement), TDS/TCS Certificates, Tax Paid Challan copies, Invoice or Receipt where TCS amount is mentioned. Bank statements alone will not be considered.
- TDS/TCS will be adjusted against the tax liability payable on salary income.
- When filling the Tax Deducted at Source details in IPSF, there are separate columns for 'Amount of Income' received and 'Tax Deducted'. **It is important to note that the amount entered in the "The Amount of Income Received/ Credited" should be the amount of taxable income arising from the transaction, and this amount will be considered along with salary to arrive the Gross Total Income of the employee.**

Once the IPSF is confirmed, you will not be able to update or modify the data.

Do you want to confirm IPSF now ?

OK Cancel

4. Click OK to continue

1. Check the box if you wish to confirm

2. Click here if you wish to save and view

3. Click here to Confirm and Print

Key Points:

- Confirm gets enabled only after the box is checked (Step 1).
- If any of the sections are selected in Section Page but no details are updated / submitted, then IPSF can not be confirmed.
- Once confirmed, the IPSF screens are non editable.
- The IPSF Report gets generated only after confirming the IPSF (Step 4).
- Save and View Option does not confirm the IPSF, hence, screens are editable.

Note:

If you want to select additional Investment categories in any of the sections, go back to the "IPSF 2025-2026" link on the home page under the Year End tab or click on 'Section Page' on 'Employee Options' tab. This must be done before confirming the IPSF.
